

Easiest DIY Felt Box

Free PDF Template

PRINTING: Print at 100% (no scaling).

TEMPLATE ASSEMBLY:

This template is printed on TWO pages. When cutting and pasting the paper template, you'll have to match both sides correctly: cut out the two pieces, then put one piece of paper under the other and shift until the **three stars** are perfectly matched.

Tape the pieces together and you've got the paper template ready.

Seam allowance included.
